VISA SUPPORT

All foreign travelers to Russia require an entry visa. The school can provide applicants with an invitation letter, which is necessary to obtain an entry visa.

There are several different visa types which can be used to enter Russia; they differ in terms of the length of stay in Russia and number of entries into the country.

- Students from non-Schengen countries who wish take a short term course (up to 4 weeks) are provided with an invitation letter for a **tourist visa**. Tourist visas are valid for up to 30 days and allow only a single entry into Russia. The invitation letter can be provided within several days of application. An e-mail copy of the invitation is enough to apply for a tourist visa in a Russian Consulate or Embassy or approved, dedicated visa centre. Tourist visas can't be prolonged in Russia. The application deadline is 4 weeks prior to the start of your course.
- Students from non-Schengen countries who wish to take a long term course (4 weeks +) are provided with an invitation letter for a **study visa**. Study visas are valid for a maximum of 90 days. The invitation can be provided within 30 days of application and the original copy is required to get the visa. The original invitation is posted to the students via an express courier service (the post expenses are added to the invoice). The application deadline is 8 weeks prior to the start of your course.
- Citizens of Schengen countries who come for the course from 1 to 12 weeks are provided with a **simplified study visa support**. The school will issue an invitation and send an e-mail copy. Simplified study visas are valid for a maximum of 90 days. The application deadline is 4 weeks prior to the start of your course.

IMPORTANT:

- The Institute sends invitation letters only after full payment for the programme is made.
- Tourist and study visas cannot be prolonged in Russia. Students who are taking long-term courses will have to leave Russia and apply for a new visa either in their home country or in Estonia or Finland (please check with the consulate for the exact terms and conditions if you are applying for a visa outside your home country)

VISA REGISTRATION

All the foreigners have to be registered within 7 working days upon arrival at the place of their actual stay. If accommodation is booked through the school, the school will take care of the first visa registration (it is included in the application fee and is done within the first three days of classes).

If students travel during their stay (to Moscow or other cities in Russian or go abroad) a new registration has to be made at an extra cost of 25-40 euro depending on the duration of the stay.

If students book accommodation on their own, they are advised to make sure the flat owner is prepared to complete their visa registration for them.

EXTRA VISA SUPPORT

For students who prolong the course and require a new visa support document the application fee for the new programme is 45 euro (instead of 85 euro).

BOOKING DEADLINES

- For all short-term courses (up to 4 weeks) the booking deadline is 4 weeks prior to the start of the course.
- For all long term courses (4 weeks +) your Enrollment form should reach us 8 weeks prior to the start of the course.
- It is only upon observation of these terms that the Institute can guarantee that it will be able to provide visa support.
